MEMORANDUM OF UNDERSTANDING

Section I – Parties to Memorandum of Understanding

This Memorandum of Understanding ("MOU") is made and entered into by and between the City of Long Beach, a Municipal Corporation ("City"), and the Long Beach City Employees' Service Lodge 1930 District Lodge 777, International Association of Machinists and Aerospace Workers, AFL-CIO ("Union") pursuant to Government Code Sections 3500 et seq.

Section II – Recognition

The City hereby recognizes the Union as the exclusive representative for those employees employed by the City in the classifications referenced in Appendix A of this MOU, subject to the applicable provisions of the law.

Section III – Purpose

It is the purpose of this MOU to promote and provide for harmonious relations, cooperation, and understanding between the City and the employees covered herein, to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this MOU; and to set forth the understanding of the parties reached as a result of good faith negotiations.

Section IV – Nondiscrimination

- A. The parties mutually recognize and agree to fully protect the rights of all employees to join and participate in the activities of the Union or to have the Union represent them in their employment relations with the City. It is further agreed that nothing herein shall prohibit an employee from representing himself/herself individually or appearing on his/her own behalf with the City. No employee shall be intimidated, coerced, restrained, or discriminated against because of the exercise of these rights.
- B. The provisions of this MOU shall be applied equally to all employees, and no person shall be benefited or discriminated against in any manner which is inconsistent with the standards set forth in federal and California statutes or with any ordinance, resolution, or rule of the City. Alleged violations of this Section (IV-B) are not grievable under the Grievance Procedure. An employee may pursue alleged discrimination through Affirmative Action procedures established by the Department of Human Resources and Affirmative Action or Civil Service, and shall be entitled to pursue California or federal statutory rights.

MEMORANDUM OF UNDERSTANDING

Section V – Employee Organizational Rights and Responsibilities

A. Dues and Benefit Deductions Program

1. During the term of this MOU, upon receipt of an executed voluntary written authorization, the City shall deduct Union dues (not to exceed the current 39-hourly wage brackets) and benefit program premiums from the pay of employees represented by the Union. The form for this purpose shall be provided by the City and the amounts to be deducted for Union dues and benefit program premiums shall be certified to the City by the designated Union official. For such purposes, the City shall charge the Union for each employee two and one-half cents (\$.025) per deduction for Union dues and two and one-half cents (\$.025) per deduction for all other deductions. The deductions shall be made twice a month. However, the deduction charge per employee per month shall not exceed five cents (\$.05).
2. The Union hereby agrees to indemnify and hold the City harmless for any loss or damages, claims, or causes of action, arising from the operation of this provision of the Agreement.
3. The City shall have no obligation to modify the manner in which it currently makes deductions on behalf of the Union.
4. Commencing July 1, 1996, employees who are dues-paying members of the IAMAW may cancel payroll deductions only in the month of September each year. The Union shall assume responsibility of notifying current and future members of this requirement. The Union's membership application form shall contain a written notice of this membership requirement.

B. Union Employee Representative (Union Officers, Shop Stewards, and Site Representatives)

A current list of Union employee representatives (Union Officers, Shop Stewards, and Site Representatives) and the bureau(s)/department(s) and/or bargaining unit which they represent, shall be submitted to the Director of Human Resources and Affirmative Action ("Director"). Any changes to this list shall be submitted with the same required information as stated above, to the Director within ten (10) working days following such changes.

C. Notification of Job Classification Changes

The City shall notify the Union and provide a copy of any proposed changes in the duty statement for existing classifications represented by the Union not less than ten (10) working days prior to consideration by the Civil Service Commission. The parties shall meet and confer in accordance with provisions of the Government Code regarding the impact of the proposed changes in the duty statements and attempt to reach agreement prior to consideration by the Civil Service Commission. In the event agreement is not reached, either party may address the Civil Service Commission on the matter.

D. Notification of Changes in Work Rules

Whenever written departmental work rules, regulations, or policies are established, or changes made in existing department work rules affecting conditions of employment, the City shall give the Union reasonable notice as defined by the Government Code prior to placing the new rules, or changes in such existing rules, into effect and where requested, meet and confer in good faith. These notices of changes are not intended to impede the normal day-to-day operation, but are intended to improve communication between the Union, the City, and the employees.

E. Representational Time-Off

1. Pursuant to relevant Government Code Sections, the City shall allow a reasonable number of Union employee representatives (Union Officers, Shop Stewards, and Site Representatives), and/or employees, as needed, reasonable time off without loss of compensation or other benefits while formally meeting and conferring with representatives of the City on matters within the scope of representation as defined in the Government Code, or as may be required under Article VII, Grievance Procedure.
2. Each fiscal year, the Union shall receive a bank of 1,000 hours to be used for general Union business. The Directing Business Representative shall provide the Director with a monthly accounting of how this time is being used listing name, department, date, and work hours used, rounded off to 12-minute increments. Unused time shall be carried over to future fiscal years. Employees using Union time must give notice and receive prior approval. Approval will not be unreasonably withheld except for operational demands. Sufficient advance notice is required if the request for time off exceeds one workday.

F. Bulletin Boards

The Union representative(s) desiring access to a work location shall state the purpose of his/her visit and request authorization of the department head or designee(s) a reasonable amount of time before the intended visit unless the parties mutually agree to waive notice. Reasonable notice shall be defined as 24 hours in advance whenever possible. However, it is not unreasonable to give less notice when the situation merits immediate access. Management may deny access if it feels it will unreasonably interfere with work. The Union representative must advise management when he/she has arrived on site.
2. The Union shall give to all department heads with employees in this unit, and to the Director, a written list of all authorized representatives, which shall be kept current by the Union. Access to work locations will only be granted to representatives on the list.

4. The distribution of any written or printed notices, cards, pamphlets, or literature of any kind at City workstations or premises is prohibited without the prior permission of the City Manager or the Director. Any written information to be distributed to employees must be furnished to management.
5. The Union may set up an "information table" and show a 5-minute video at new employee orientations. The City will provide the television and the VCR.

The City reserves, retains, and is vested with all rights to manage the City. The constitutional, statutory, charter, or inherent rights, powers, authority, and functions shall remain exclusively vested with the City pursuant to Government Code Section 3500 et seq. These rights include but are not limited to the following:

1. To manage the City.
2. To determine the necessity, organization, and standards to implement any service or activity conducted by the City.
3. To recruit, select, hire, evaluate, promote, and discipline.
4. To determine and/or change the City facilities, methods, technology, equipment, and apparatus.
5. To determine and/or change the size and composition of the City work force and assign work to employees.

10. All rights, powers, authority, and functions of management, whether heretofore or hereinafter exercised, shall remain vested exclusively with the City.

B. Definition of City Obligations

The intent of the parties to this MOU is that the contractual attempt to define City obligations and responsibilities does not, and is in no way intended to, diminish the rights of the Union.

Section VII – Amendments to Personnel Policies and Procedures and Department Rules and Regulations

When available, the City will provide these documents on a floppy disc formatted for Windows 95 Word. Before any new or subsequent amendments to these Personnel Policies and Procedures or Departmental Rules and Regulations, directly affecting wages, hours, and terms and conditions of employment are implemented, the City shall meet with the Union regarding the changes in accordance with Government Code Sections 3500 et seq. Nothing provided herein shall prevent the City from implementing rules and regulations provided it has met with the Union as required by law. Employee wages and fringe benefits will not be reduced unless agreed to by the Union.

Section VIII – Peaceful Performance of City Services

For the life of the Agreement, the Union, its officers, and/or members agree that they will not cause, condone, or participate in any concerted effort which affects the performance of their assigned duties and responsibilities. This shall include the withholding of services or other interference with City operations, including compliance with the request of other employees and/or labor organizations to engage in said activities.

The City may take whatever action is deemed appropriate provided it does not violate any employee's rights under applicable statutes.

In the event of any concerted effort, the President/Directing Business Representative or authorized representative of the Union shall, within twenty-four (24) hours, publicly disavow such conduct and request the employees to return to work and attempt to bring about prompt resumption of normal operations. The Union shall notify the City within twenty-four (24) hours after the commencement of such work interruption as to the measures taken to comply with these provisions.

This Section VIII shall not be interpreted to limit an employee's statutory or constitutional rights.

ARTICLE TWO
SALARIES AND COMPENSATION

Section I – Classifications – Pay Rates – Salary Increases

A. Listing of Classifications and Rates of Pay

Every person appointed to the classifications identified in Appendix A shall receive as full compensation for his or her services, together with any other form of compensation provided for in this MOU, the salaries computed in accordance with the Pay Rate Schedule A established for such classifications as set forth in Appendix B attached.

B. General Salary Increase

Salary Ranges

The Salary Resolution will be amended to provide for the following salary increases for the permanent classifications (excluding non-career classifications) included in Section A above on the effective dates indicated:

01/01/2001 2%

07/01/2001 1%

October 1, 2001 - September 30, 2002

1. All Permanent IAM represented employees (except non-career) will receive the average cost of living increase provided Police, Fire and Marine Safety classifications during the 2001-2002 fiscal year.
2. In the event Police, Fire and Marine Safety employees receive an increase in deferred compensation, incentive pay or any other monetary compensation, IAM employees will receive a cost of living increase equivalent to the public safety increase as a percent of the average adjusted rate for all public safety non-management employees. Said increase will be determined as follows:
 - a) On the date before the increases to monetary compensation set forth in Paragraph 2 above are effective, determine the average adjusted rate for all permanent full-time non-management public safety employees (Police, Fire and

Marine Safety), as currently set forth in the City's Human Resource Management Information System.

Average adjusted rate includes base salary and all forms of additional pay that are due and payable in any biweekly pay period.

- b) Determine the new average adjusted rate for public safety employees by including the additional increases to monetary compensation.
- c) Divide the new adjusted base rate by the old adjusted base rate to determine the average increase. This increase will be used to determine the cost of living increase (to the nearest 1/10th) for all permanent IAM represented employees (except non-career) as set forth in Paragraph 2 above.

Example:

- 1) The Adjusted base rate for all public safety employees on September 30, 2001 is \$31.472.
- 2) The Adjusted base rate for all public safety employees on October 1, 2001 (assumes additional increases to monetary compensation set forth in Paragraph 2 above) is \$31.556.
- 3) COLA determination.

$$\frac{\$31.566 - \$31.472}{\$31.472} = 0.002986 \text{ or } 3/10^{\text{th}} \text{ of } 1\%$$

- C. The provisions of Article Two, Section I.B. shall not be subject to Article Seven, Grievance Procedures, of the MOU.
- D. Section 4 of the Salary Resolution, Automatic Steps, will be amended effective July 1, 2001 as follows:
 1. Performance Increases

Effective July 1, 2001, step increases will be based on performance as set forth below:

2. Step Advancement

Subject to satisfactory performance, as set forth in Section 3 below, after an employee has served an initial six-month period of employment in a position at a pay rate designated as Pay Rate Step 1 in the salary schedule established by Section 2 of this resolution, the salary of such employee shall be at the applicable pay rate designated as Pay Rate Step 2; after a second six-month period of satisfactory performance of employment, the salary of such employee shall be at the applicable pay rate designated as Pay Rate Step 3; and after another six-month period of satisfactory performance Pay Rate Step 4. Thereafter, the pay rate of such employee shall successively be at the applicable pay rate respectively designated as Pay Rate 5, 6, or 7 upon his/her successive completion of a one-year period of employment at the preceding pay rate. If the initial salary of any employee has been specifically designated at a pay rate other than Pay Rate Step 1, 2 or 3, his/her pay rate thereafter, shall, upon his/her successful completion of a one-year period of employment at that pay rate, be at the next successively higher applicable Pay Rate Step.

This step advancement policy will be effective April 1, 2001. Employees hired prior to April 1, 2001, will continue their step advancement in accordance with the step placement in effect on that date, but subject to the performance provision set forth in Section D.3. below.

3. Performance System

The performance program set forth below will be implemented July 1, 2001.

As set forth in D.2. above, an employee will advance to the next step of the salary schedule if he/she receives a Meets Job Requirements rating on the majority of the rating factors on the Employee Performance Appraisal form developed and administered by the Civil Service Department. The ratings will be based on the most recently completed Employee Performance Appraisal form.

In the event the employee does not receive an overall Meets Job Requirements rating, the employee will not advance to the next successive step. No later than six-months after the original date the step increase was due, the employee will be re-evaluated. If the employee receives an overall Meets Job Requirements rating, he/she shall be advanced to the next successive step. He/she will receive their next step increase in accordance with the provisions of item D.2. above, i.e., either six-months or one year. In the event the employee does not receive an overall Meets Job Requirements rating, he/she will remain on their current step until such time they receive a new evaluation and a Meets Job Requirements rating.

If an employee's Performance Appraisal form is not completed within thirty (30) calendar days after the step increase is due, the employee will advance to the next step retroactive to the date the step increase was scheduled.

4. Appeal Process

If an employee does not receive a step increase because of his/her performance rating, he/she may appeal the rating as follows:

- a. A complaint shall be presented orally or in writing directly by the employee to the immediate supervisor within ten (10) working days from the date the employee signs the Employee Appraisal form, which acknowledges that the employee has read and reviewed the rating. The immediate supervisor will respond back to the employee within ten (10) working days from the date the complaint was received.
- b. If the employee is dissatisfied with the results of the supervisor's response, he/she may appeal the matter to the Department Head or designee, ten (10) working days from the oral or written response from the supervisor regarding the rating. The Department Head or designee will respond to the employee within ten (10) working days from receipt of the complaint.
- c. If the employee is dissatisfied with the response from the Department Head or designee, the employee may proceed by written request to the Director of Human Resources and Affirmative action within ten (10) working days from the date of decision of the Department Head.
- d. If the matter is submitted to the Director of Human Resources and Affirmative Action, he/she shall review the matter within twenty (20) working days after receipt of the written request from the employee. The Director of Human Resources and Affirmative Action or designee shall hold such hearings and conduct such proceedings as may be necessary, but such hearings and proceedings shall be conducted in an expeditious and confidential manner with the involved parties only. Employees called as witnesses shall be released from duty as needed.
- e. The findings of the Director of Human Resources and Affirmative Action shall be transmitted only to the parties to the dispute within ten (10) working days from the date of the hearing or proceeding. The decision of the Director of Human Resources and Affirmative Action or designee shall be final and binding upon all parties and is not subject to the grievance procedure.

- f. In all of the above steps, the employee is entitled to the same representation as provided for in the grievance procedure.

Section II – Overtime

- A. An employee who is non-exempt under FLSA may continue to bank or be paid overtime at time and one-half for overtime hours worked in excess of 40 paid hours (excluding sick leave) in a work week up to 40 work hours.

Hours charged to sick leave shall not be considered when determining premium pay under the provisions of the FLSA. However, if the employee has actually worked more than 40 hours in the workweek, banking is not permitted for hours that exceed 40 work hours. The employee can only be paid time and one-half for that time actually worked over 40 work hours. In the event that the Department of Labor's rules and regulations are amended to give the City control over scheduling off the FLSA compensatory time so as not to require replacement personnel, the parties will agree to reopen this section of the MOU.

- B. Banked time-off hours shall be allowed at such time or times mutually agreeable to both the employee and his or her Department Head. Such time off may not be granted if it results in the disruption of departmental operations. It may also not be granted in the pay period in which it is earned. Banked time-off hours must be taken no later than the last full pay period in the fiscal year. All banked time off hours not taken off in accordance with the above shall be paid to the employee the last pay period of the fiscal year, or prior to a general salary increase.

- C. Banked overtime credits shall not exceed 60.0 expanded hours for any employee at any one time.

(40 straight time hours x 1-1/2 = 60)

- D. All banked time-off hours not taken prior to the effective date of a salary range increase which results in a higher hourly pay rate as the result of a promotion shall be automatically paid at the lower hourly pay rate.
- E. All banked time-off hours not taken prior to the effective date of a salary range decrease which results in a lower hourly pay rate as the result of a reversion or demotion, shall be retained as banked overtime unless the employee requests one pay period prior to the effective date of change to be paid at the higher hourly pay rate.

Section III – Skill Pay

All employees in the classification listed in Appendix C, who meet the requirements for receipt of skill pay shall receive additional compensation at the designated rates.

Section IV – Night Shift Differential

Night shift differential shall be compensated at eighty cents (\$.80) per hour.

Night shift differential shall be paid to any permanent full-time employee whose regular schedule requires the employee to work between the hours of 6:00 p.m. and 6:00 a.m. provided that either:

- A. The employee works 5/8ths or more of the regularly scheduled shift between the hours of 6:00 p.m. and 6:00 a.m. These employees shall be eligible to be paid the additional rate established by this Section for each hour worked during the entire work shift; or
- B. The employee works between the hours of 6:00 p.m. and 6:00 a.m. as part of a “split shift.” Split shift is defined as a shift of eight (8) or more non-continuous work hours in a single day, separated by a break of at least three (3) non-working hours during the shift. The employee shall be paid the night shift differential established by this Section only for each hour actually worked between the hours of 6:00 p.m. and 6:00 a.m.

Section V – Higher Classification Pay

Each employee who is required to perform the full range of duties in a higher-level classification or grade level position that is vacant, up to and including division manager, shall be paid an additional seventy-five cents (\$0.75) per hour providing the following conditions are met:

- 1. The employee who is assigned the higher-level duties of the vacated position must work at least forty (40) consecutive hours once per fiscal year in said position in order to qualify for the higher classification pay.
- 2. The higher-level duties performed must be those of a permanent budgeted position that is vacant, either temporarily because of absence of the regular employee or vacant due to resignation, termination or other such action.

3. In no event shall the total compensation paid to the employee for regular salary and higher classification pay exceed the sixth step of the higher classification or grade level.
4. The temporary appointment to the higher classification must be approved by both the Department Head or designee and the Director of Human Resources and Affirmative Action.

Section VI – Mileage Reimbursement

The City agrees to the following policy on car allowance and mileage reimbursement:

- A. A City employee may be assigned a City-owned vehicle only when total mileage incurred on City business exceeds 500 miles per month.
 1. An assigned City-owned vehicle may be driven to and garaged at home only if the employee is required to respond in an emergency-equipped vehicle to after-hours emergency call-outs.
 2. Routine transportation to after-hours meetings and similar work-related functions shall be provided by the employee, and expenses incurred in this context shall be reimbursed at a rate of \$ 0.325 cents per mile effective 4/01/2001.
- B. A flat monthly allowance in such sum as may be determined by the City Manager or appropriate appointing authority, but not to exceed three hundred and eighty-five dollars (\$385.00) per month. The monthly allowance is hereby determined to constitute reimbursement for the expenditures and costs of operating and maintaining the vehicle, including its availability, as required for the performance of official City duties.
- C. Any City employee whose job regularly requires that transportation be available between multiple job sites, but who does not qualify for the assignment of a City-owned vehicle based on the criteria set forth above, will be authorized to use his or her personal vehicle for the performance of official duties and will be reimbursed by the City at a flat rate of \$125.00 per month plus \$.10 per mile for each mile incurred on City business.
- D. Any City employee not having access to a departmental or dispatch vehicle pool, but whose official duties require intermittent transportation, will be authorized to utilize his or her personal vehicle for the performance of official duties and will be reimbursed at \$0 0.325 cents per mile effective 4/01/2001 for mileage incurred on City business.

- E. Mileage reimbursement will be authorized only for employees who do not have access to departmental or dispatch pools of City-owned vehicles.
- F. With the approval of the City Manager, employees may be authorized to use and be reimbursed for public bus or taxi transportation. Employees subject to emergency calls but who do not have access to City-owned vehicle during off-duty hours, may be authorized to be reimbursed as specified above for the use of their own vehicles or for the actual cost of public transportation.

Section VII – Call Back

- A. Employees who are called back to work after completion of their regular shift shall receive two (2) hours minimum at time and one-half, or one (1) hour travel time plus time actually worked, whichever is greater, except as provided for in Section VII.B below:

Examples:

0.5 hours works
2.0 travel time (1.0 hour travel time)
2.5 total time = 2.0 hours paid (minimum)

0.5 hours work
1.0 travel time
1.5 total time = 2.0 hours paid (minimum)

2.5 hours works
1.5 travel time (1.0 hour travel time)
4.0 total time = 3.5 hours paid

2.0 hours worked
0.5 travel time (1.0 hour travel time)
2.5 total time = 3.0 hours paid

NOTE: Call-back duty occurs when off-duty personnel are unexpectedly ordered to return to duty because of unanticipated work requirements. An employee must report for work; there is no compensation for telephone consultations.

The City shall contribute by way of obligation for health, dental, and life insurance benefits, the maximum monthly amounts indicated below, for employees in permanent full-time positions for the period starting:

December 1, 2000 through September 30, 2002,
\$470 per month.

It is understood that if the cost of health, dental, and life benefit programs is less than the City contribution set forth above, the City will contribute or obligate only that portion which is necessary to pay these costs.

For the period commencing October 1, 2001 through the term of the agreement, the City shall contribute an amount equal to the highest monthly amount for health, dental, and life insurance benefits that are contributed to and/or provided to employees represented by any of the other City recognized employee organizations (Long Beach Police Officers Association, City Attorneys Association, City Prosecutors Association, Long Beach Association of Confidential Employees, Long Beach Association of Engineering Employees, the Long Beach Lifeguard Association, and the Long Beach Firefighters Association.)

For example, should Association members choose City-offered health, dental, or life benefit plans that actually cost the City less than the amount indicted in a particular fiscal year, and said difference totals \$10,000 per year, this amount plus any accrued interest may be used to offset any rate increases in excess of the agreed-to amounts in subsequent fiscal years of the contract. These excess funds shall be held by the City and shall earn interest. This will be called the M.O.U. Trust Account.

The benefits for the various plans and all employee payroll deductions for the period January 1, 2001 through September 30, 2002 will be as recommended by the Health Insurance Advisory Committee (the Committee) on August 31, 2000, and approved by the City Council on September 12, 2000.

In the event that the plan(s) rates increase, the additional funds to offset the higher rates will come from the funds available in the M.O.U. Trust Account. This will continue through each benefit year until September 30, 2002, or until such time as the excess funds in the M.O.U. Trust Account are depleted to zero. If at some point in time before

September 30, 2002 the M.O.U. Trust Account is depleted to zero, the City will be the responsible party to fund the difference in order that the benefit levels for the various plans and all payroll deductions in effect on that date remain in effect until September 30, 2002.

14. Jail Security Officer Side Letter

JAIL DETENTION OFFICER SIDE LETTER

The following practices shall apply to Detention Officers and Detention Officer Supervisors assigned to the Jail Division of the Police Department:

1. The selection of vacation schedules shall be based upon "departmental seniority", except during periods of extreme critical shortage. "Departmental Seniority" is computed from date of assignment to the Police Department for Detention Officers and from the date of promotion for Detention Officer Supervisors.
2. The selection of shift, days off, and holidays shall be based upon "division seniority", except during periods of extreme critical shortage. "Division Seniority" is computed from the date of assignment to the Jail Division of the Police Department for Detention Officers and from the date of promotion for Detention Officer Supervisors.
3. If an employee resigns from the Police Department and is later re-hired in the Jail Division, the employee forfeits all seniority accumulated prior to his/her resignation, and seniority will be computed from his/her date of re-hire. This provision is not intended to impact on any previous agreements presently in effect with individual employees regarding the computation of seniority.

This provision shall affect all persons who resigned subsequent to December 12, 1977.

4. For the purposes of this Side Letter, seniority (departmental and division) for Detention Officers and Detention Officer Supervisors shall operate independently.
5. Once the shift and holiday schedule has been established, an employee shall not be allowed to "bump" a less senior employee. When an opening occurs in the shift schedule or holiday schedule, new schedules may be established on the basis of seniority.
6. Employees, involuntarily assigned to a division other than the Jail Division or Department or other than Police Department will not lose "division/departmental seniority", as applicable, as a result of such assignment.
7. Employees who voluntarily accept assignments to another division within the Police Department or with another City department will not accumulate "division/departmental seniority" within the Jail Division while working outside the Jail. If an Officer returns to the Jail Division, he/she will be credited only for seniority earned working in the Jail.

8. Employees who are absent from work due to lay-off or extended illness will retain their accumulated "division/departmental seniority" upon return to work.
9. Employees who are on probation or otherwise being trained may be exempt from a change of work assignment based on inverse seniority. The Jail Division command officers shall review each case individually to determine if a change in work schedule would be detrimental to the employee's training program.
10. The management of the Police Department may make adjustments to work assignments and vacation schedules to meet Departmental needs. It is understood that whenever such adjustments are made, the policy outlined above shall be adhered to as closely as possible.

It should be noted that seniority as defined in the Civil Service Rules and Regulations is applicable only under the conditions outlined in that document.
